

Level 2

Health and Social Care: Principles and Contexts

5972UB

January 2022 examinations

Unit 1	Promoting health and well-being throughout the life stages	Tuesday, 18 January 2022
--------	--	--------------------------

Advance Information

General information for students and teachers

This advance information provides the focus of the content of some of the questions in the January 2022 examination paper.

The topics that have been identified relate to the questions that will carry the highest number of marks in the paper.

There will also be questions on other areas of content that have not been identified in this notice.

The aim should still be to cover all specification content in teaching and learning.

It does not apply to any other examination series.

It is intended to support revision.

It may be used at any time from the date of release.

It must not be taken into the examination.

Additional information for students and teachers

This advance information covers Unit 1: Promoting health and well-being through the life stages.

The following areas of content are suggested as key areas of focus for revision and final preparation, in relation to the January 2022 examinations.

The structure of the exam papers remains unchanged.

It is advised that teaching and learning should still cover the entire subject content in the specification. It is important that students cover the curriculum as fully as possible, so that they are as well prepared as possible for progression to the next stage of their education.

You can ask your teacher for advice and discuss this notice with others in your class.

You can investigate the topics/themes included in this notice yourself using any resources available to you.

Assessment Criteria	Assessment Criteria	Content (Amplification)
1.1	Key physical, intellectual, emotional and social aspects that affect growth and development across the lifespan of individuals	<ul style="list-style-type: none">Physical, Intellectual (cognitive) Emotional and Social aspects of development
